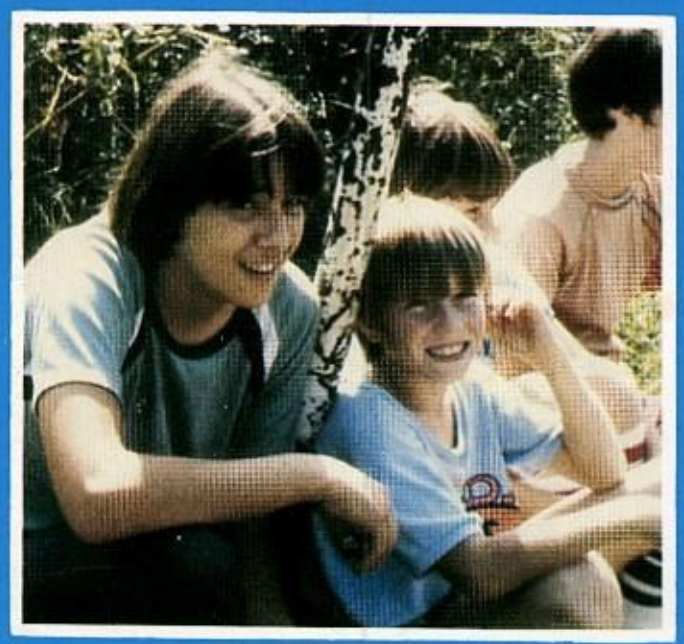
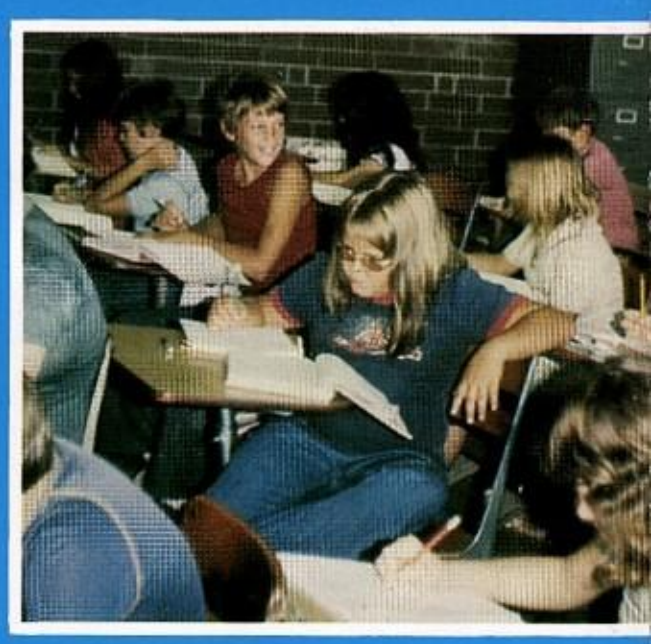
THE GROUP





A Group consists of several friends and if you need a little assistance in finding and keeping some ... then here are some things which are necessary to obtain one or two:

Step 1: Always be ready to lend a helping hand.
Step 2: Have a pleasant attitude.
Step 3: Always be honest, you never lie to a friend.
Step 4: Scope or Listerine will do.
Step 5: Always be reliable, you never fail a friend.
Step 6: Always be courteous and last but not least ...
Step 7: "A Sprinkle a Day"

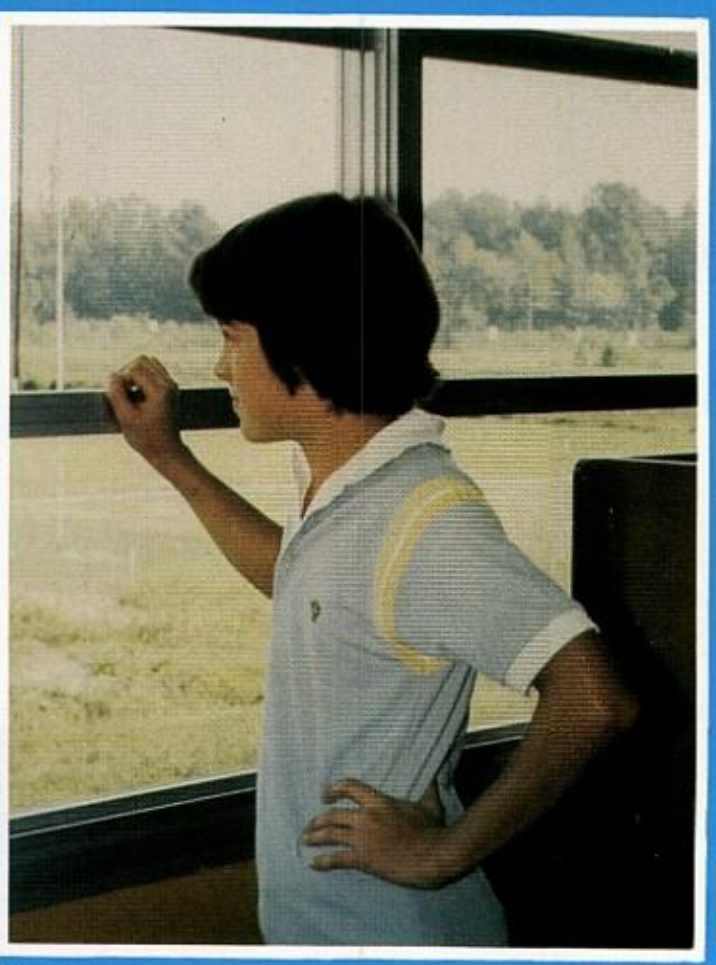
THE MOOD

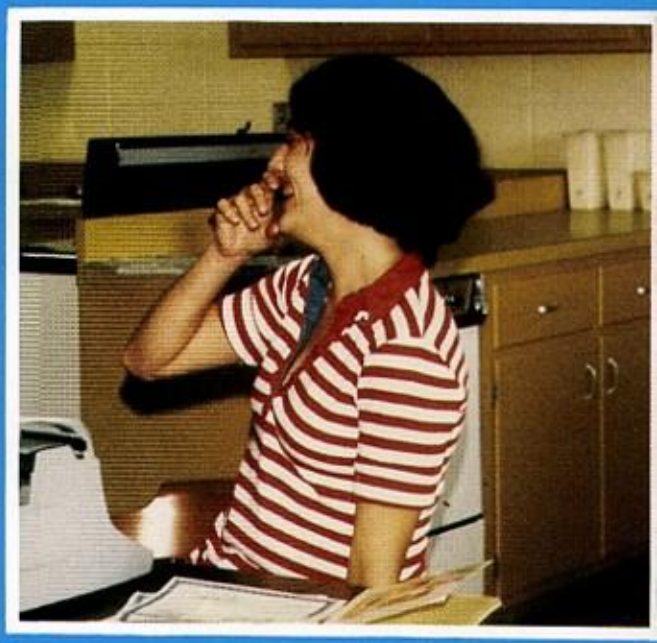
We all have different moods. Some are good, some are bad.

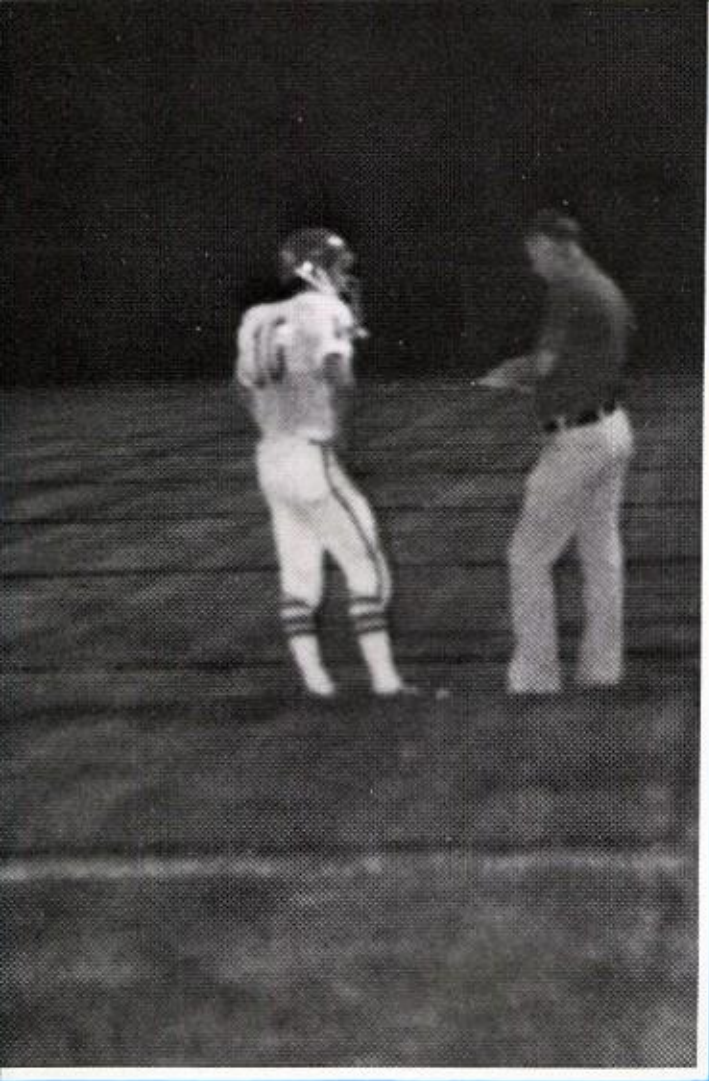
Like the night you got in two hours later than you were supposed to and when you walked in the door there stood your mother breathing fire! Those are the days you want to clobber someone when they come up and say, "Boy, you sure are in a bad mood."

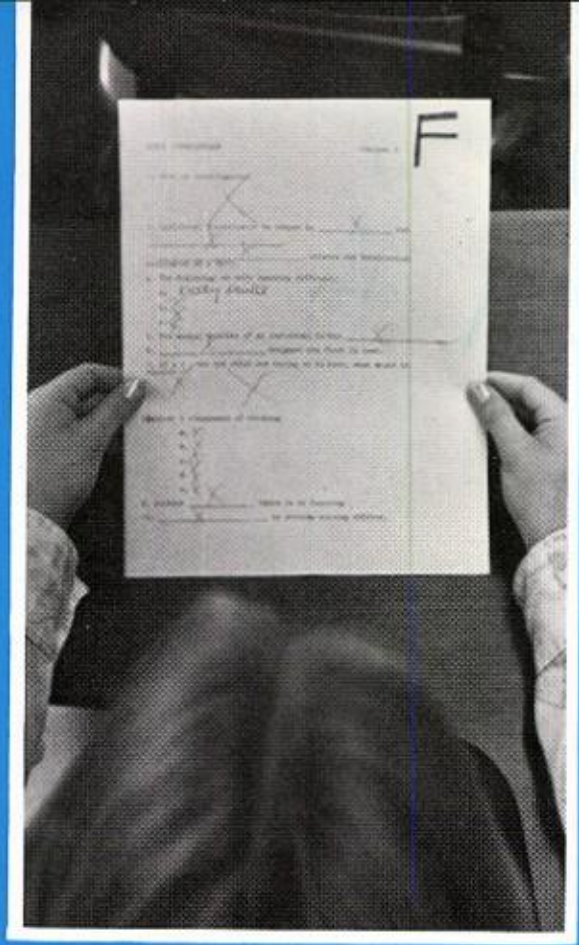
But, we do have our good days. Moods range anywhere from wishing you didn't have Biology to going to the Pizza Hut after that big victory!

So when you consider all the sides, moods are a pretty good thing to have around.

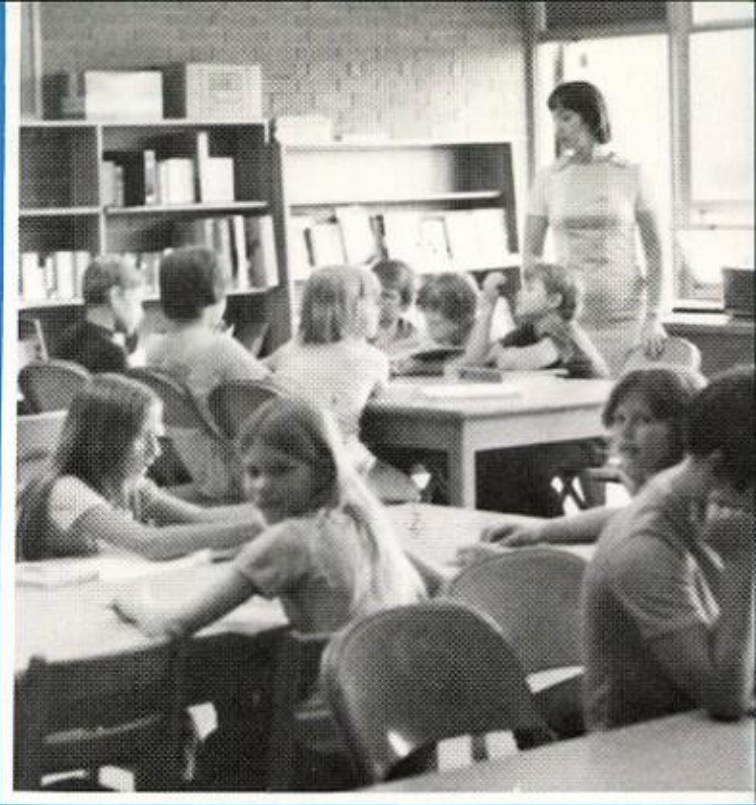


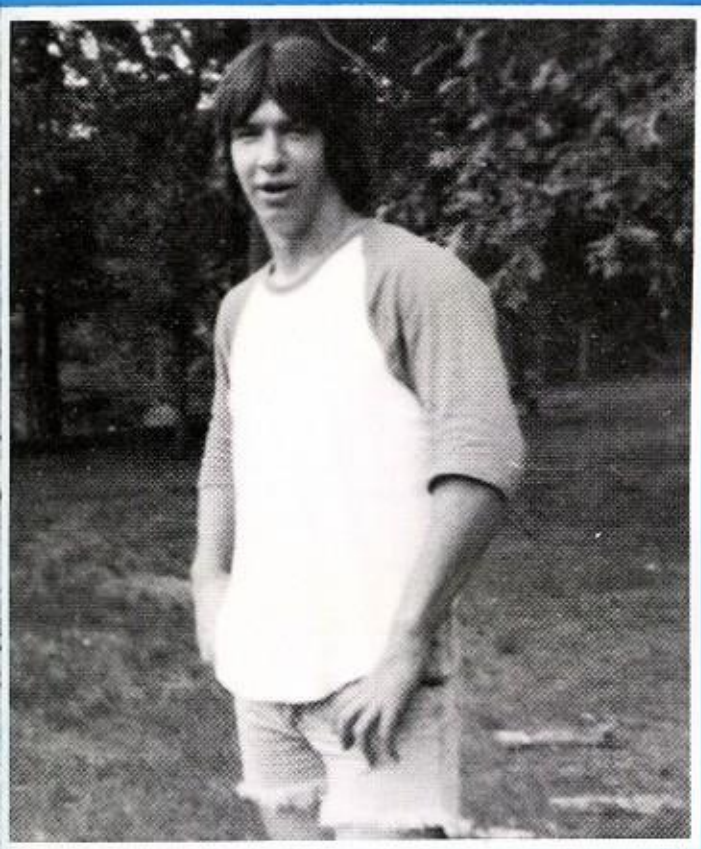


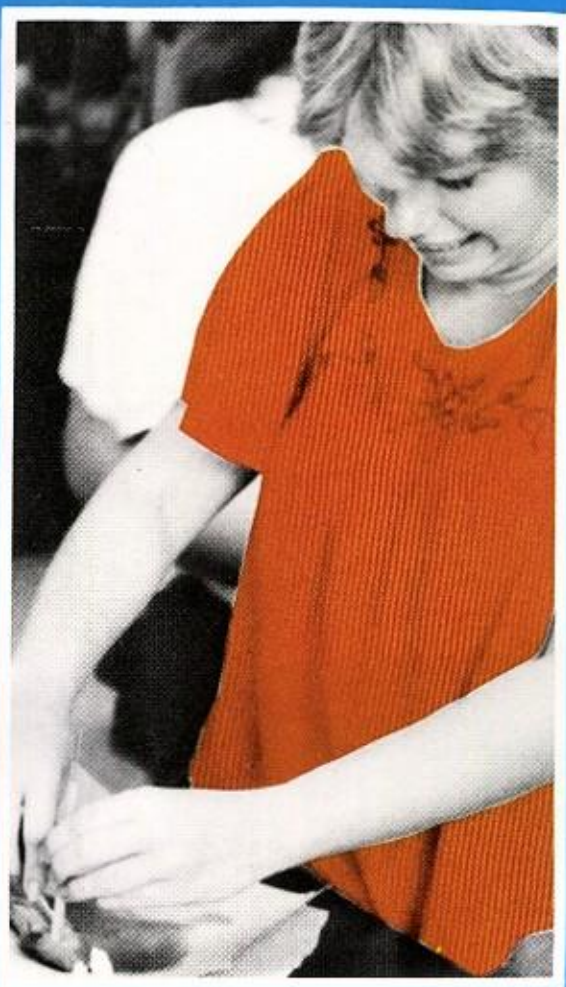


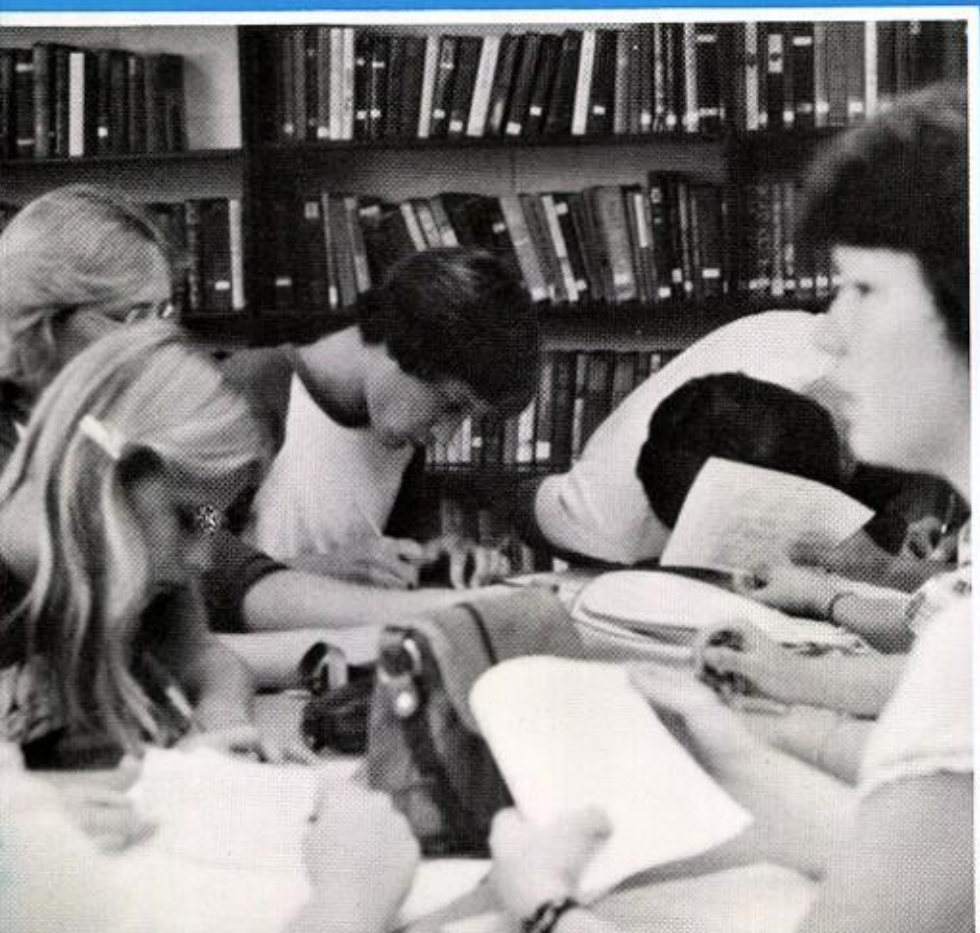


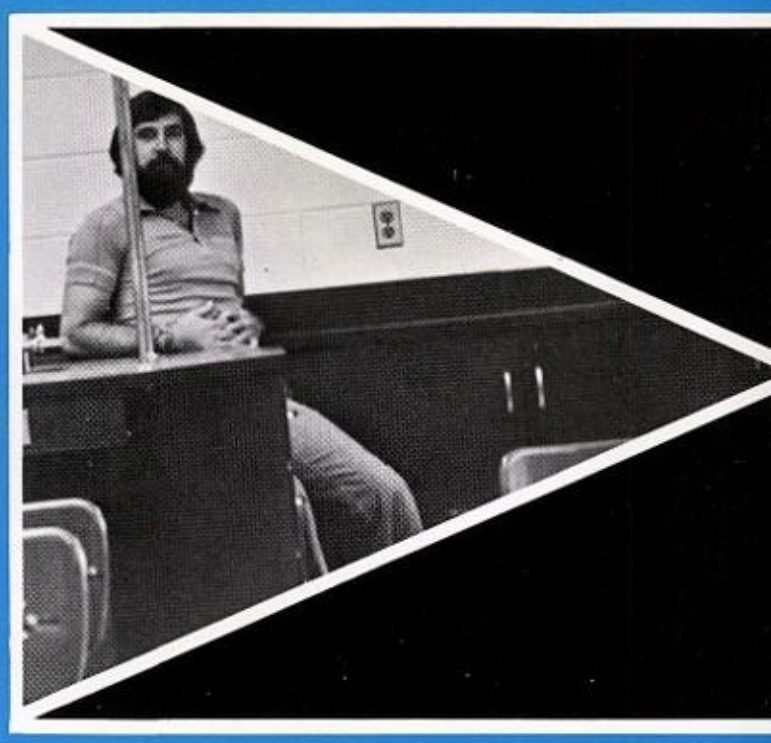
F

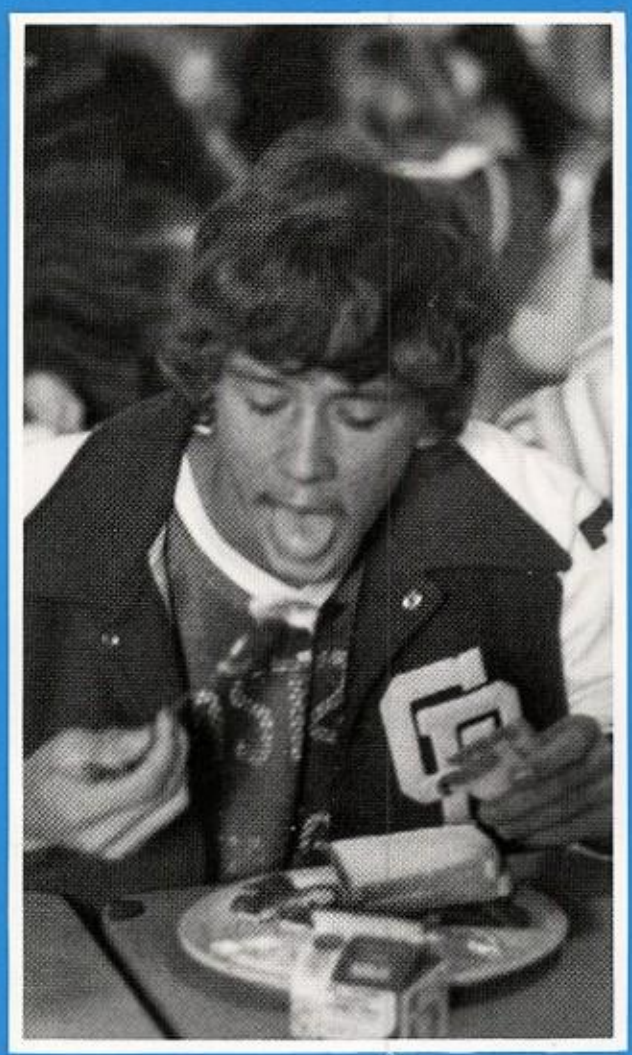


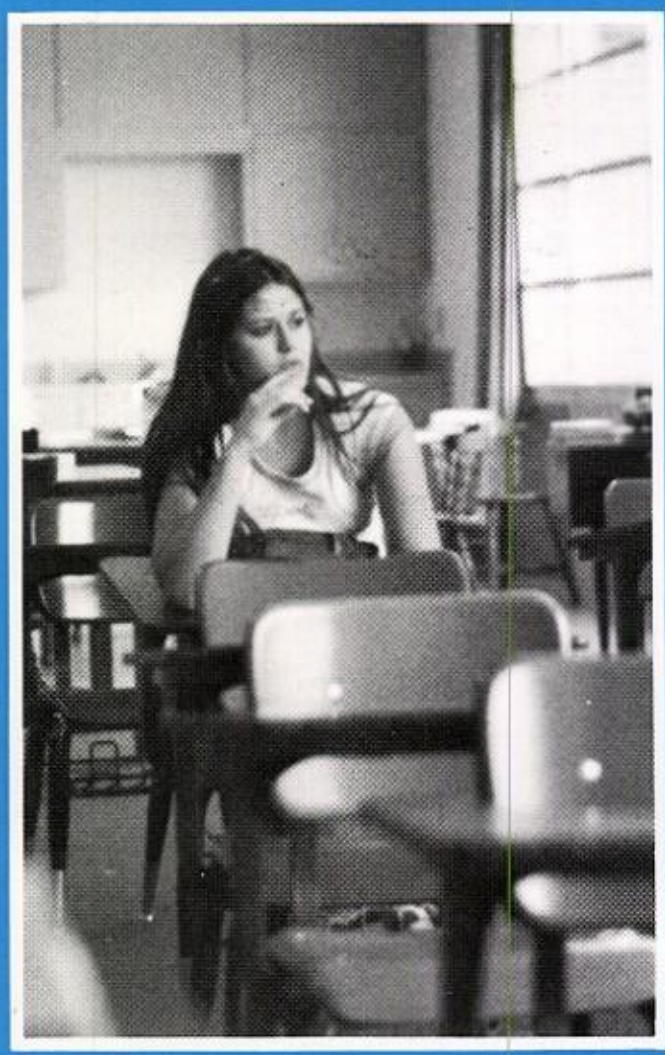


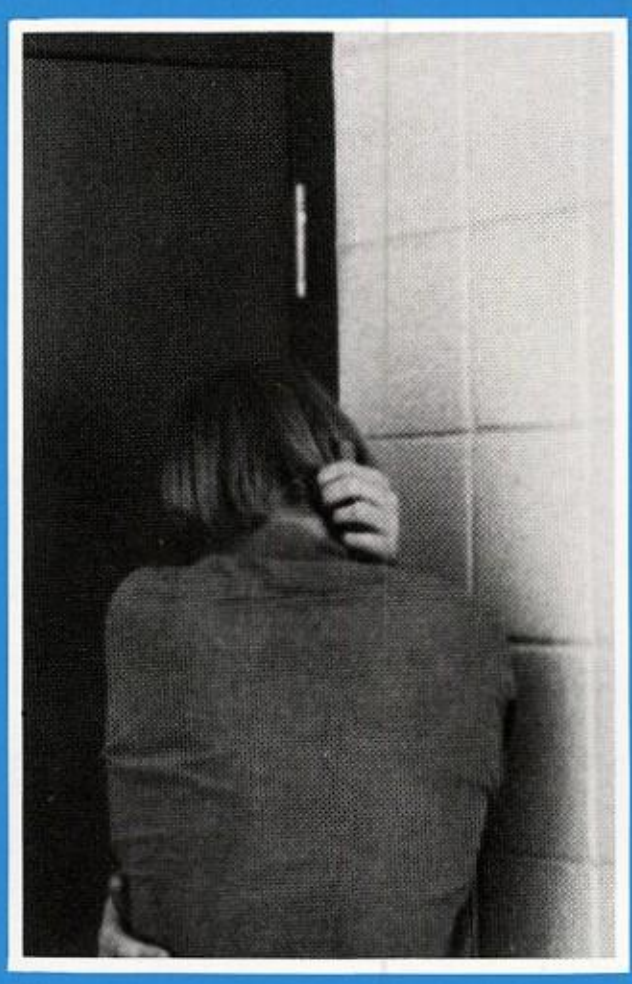


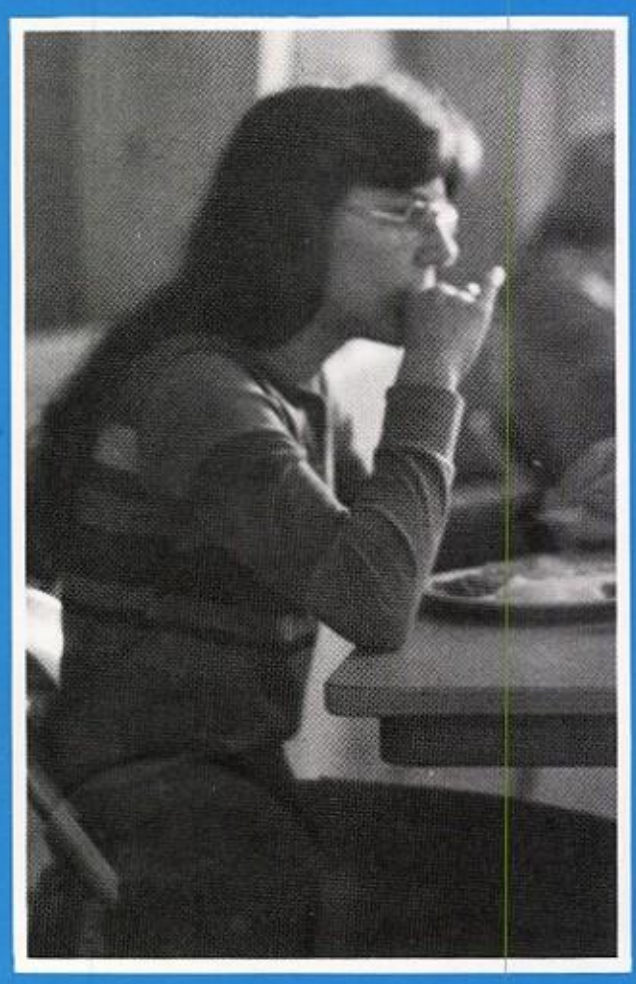


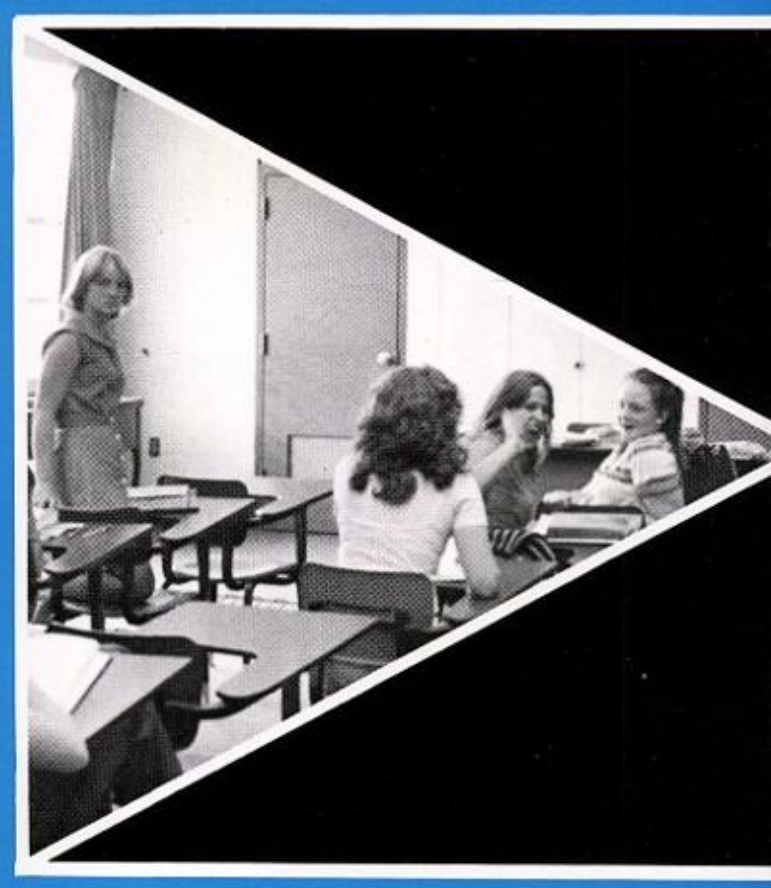


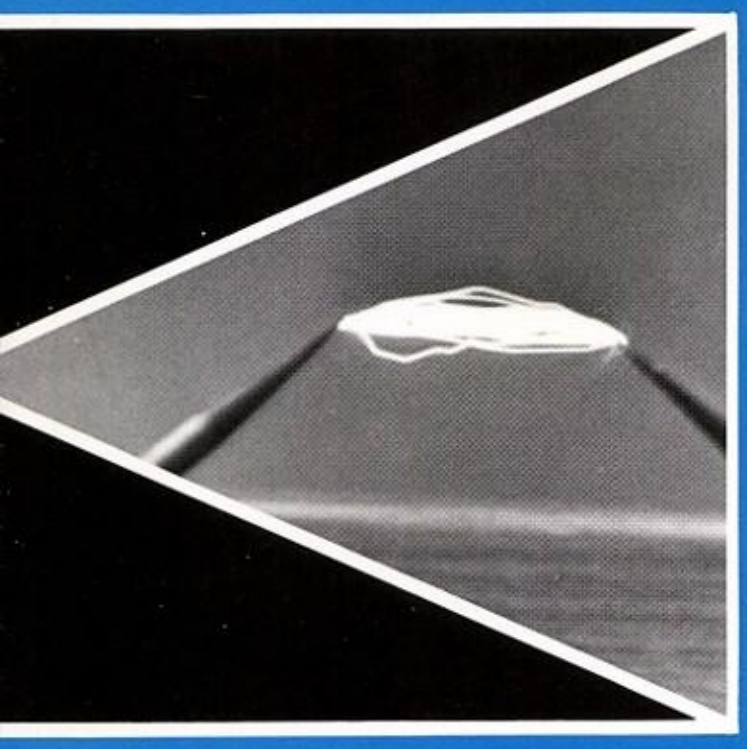


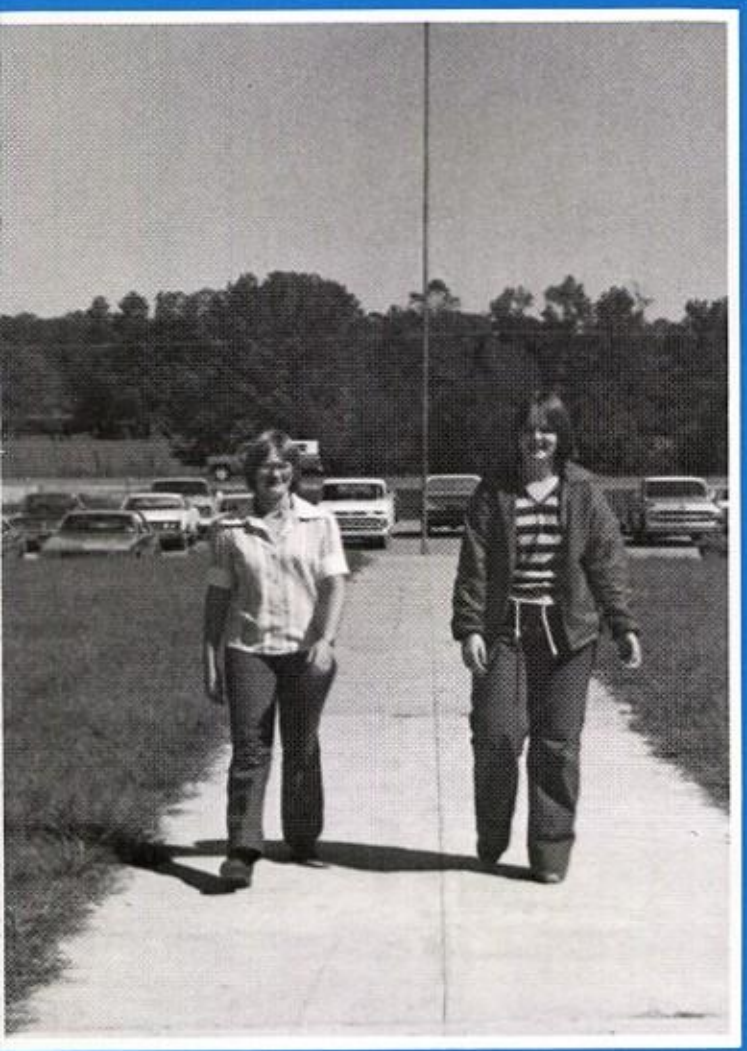


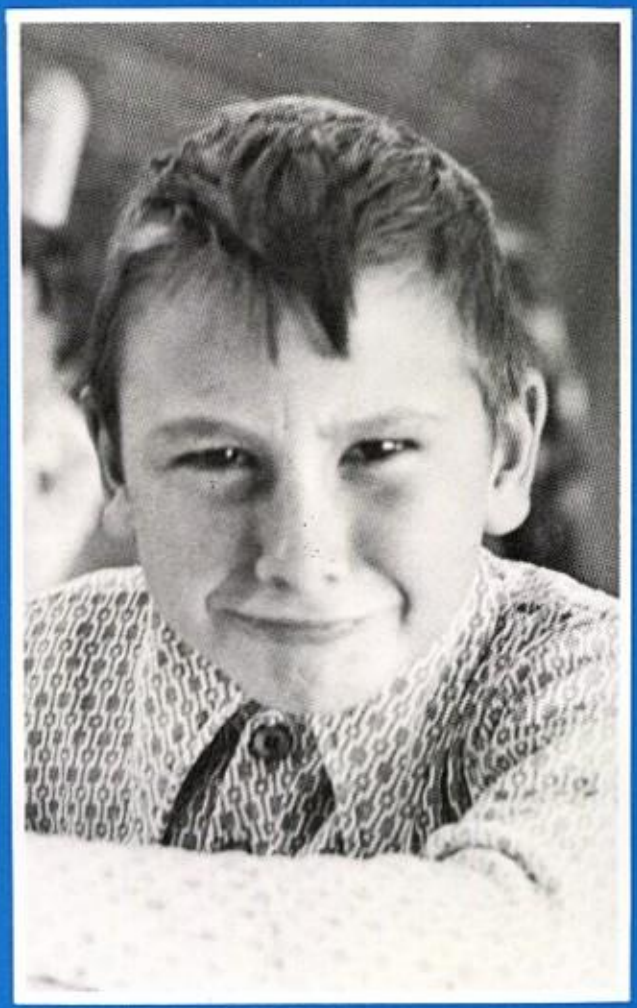


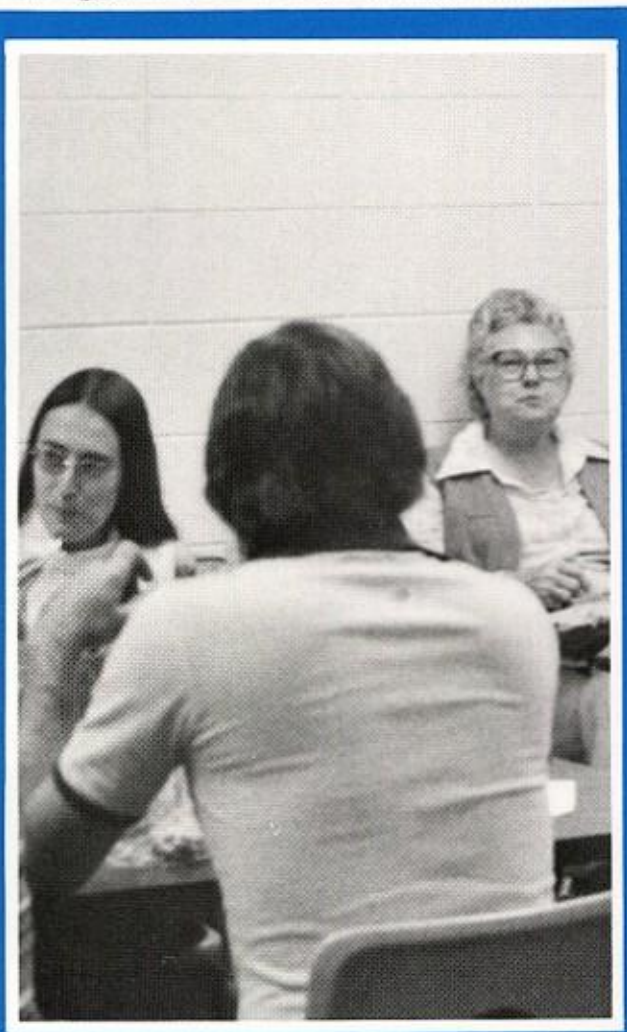


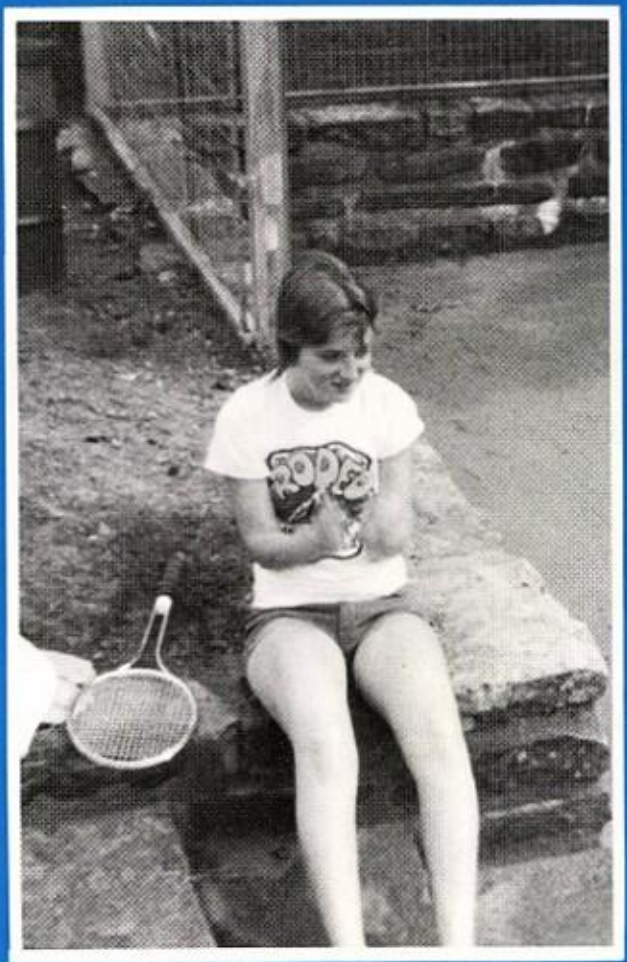


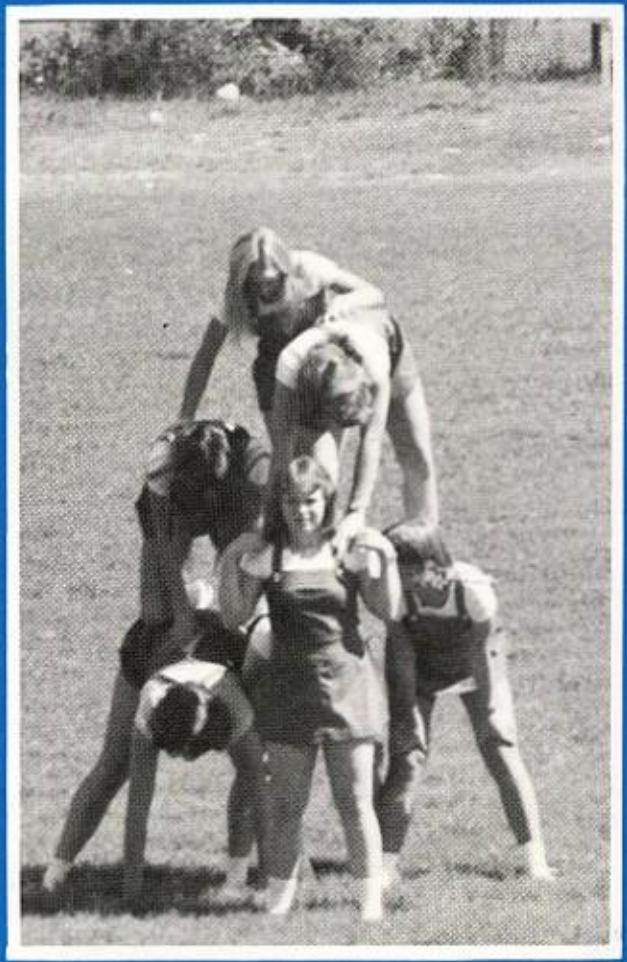




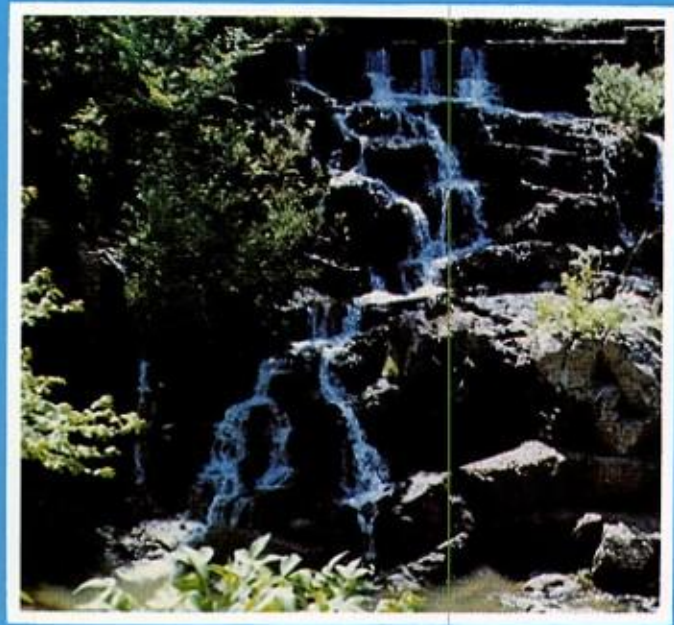








THE GAMES



When someone says, "Game" what's the first thing that comes to your mind? Football, checkers, monopoly? We could probably come up with hundreds of different answers. Really, life is one big game. You always have someone trying to beat someone else. It's "I can run faster than you," or "I bet I'll make more money than you," or even, "I can get to the pencil sharpener before you."

It's always been this way and probably always will. But just remember: It's not whether you win or lose, it's how you play the game!

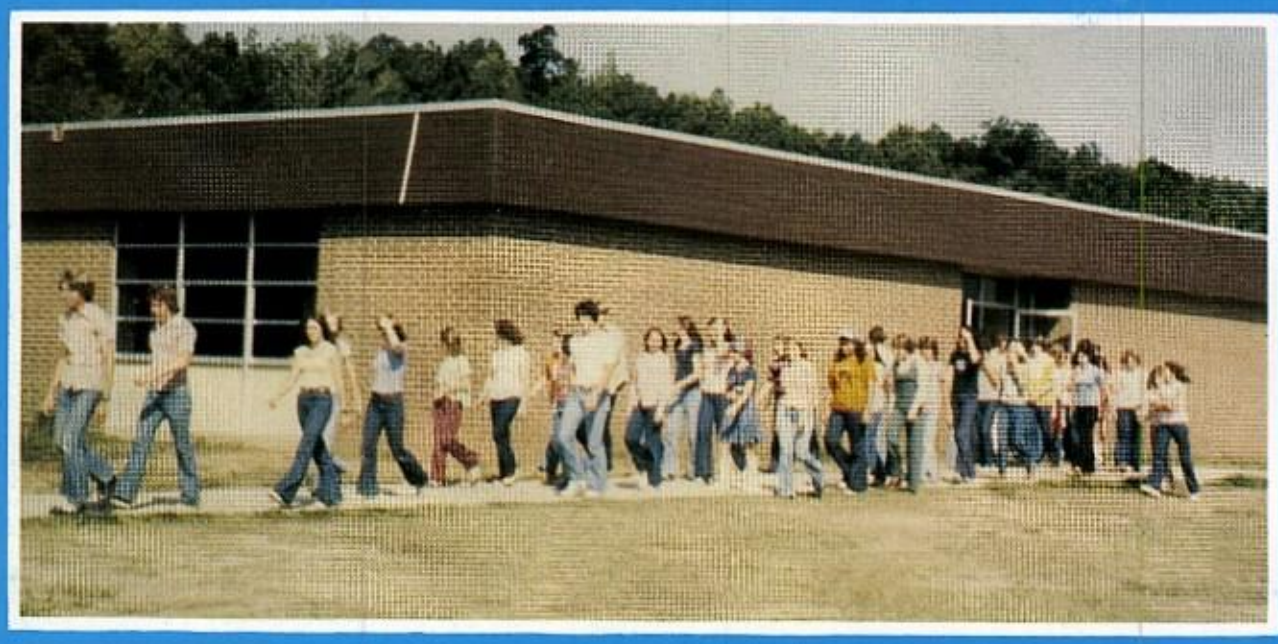
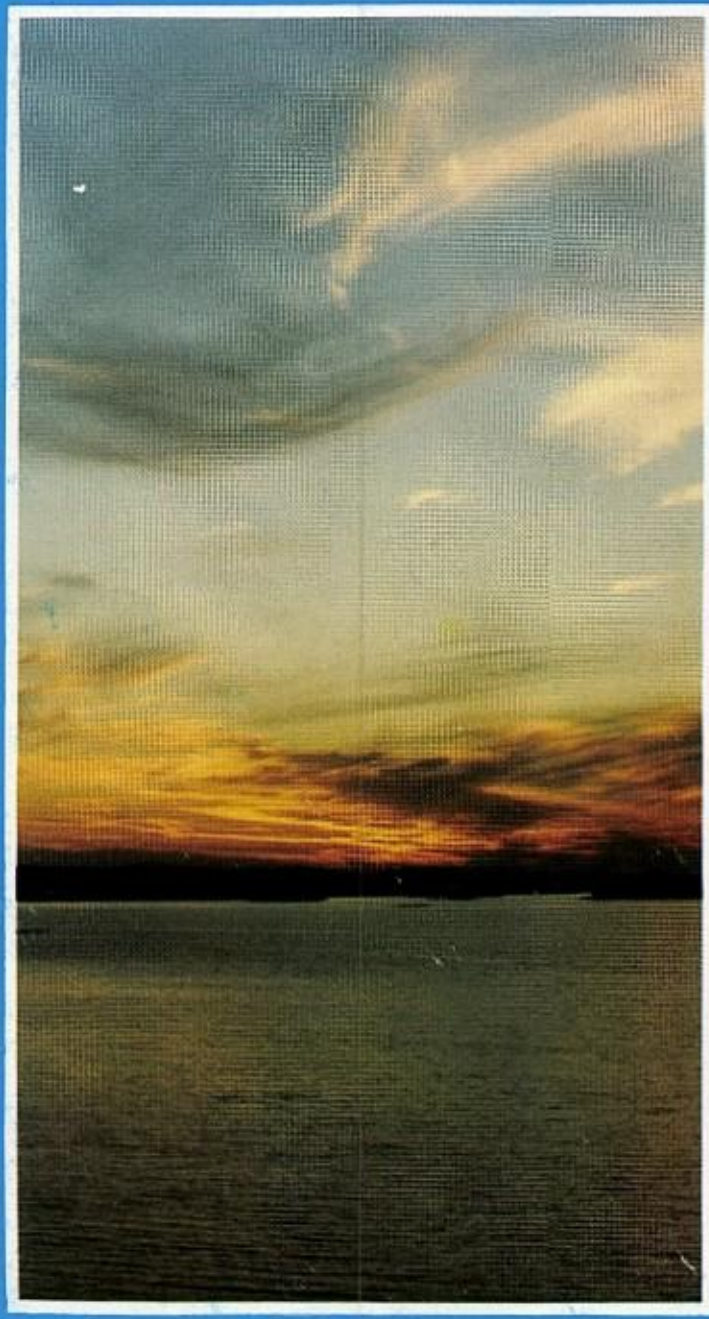
The OUTLOOK

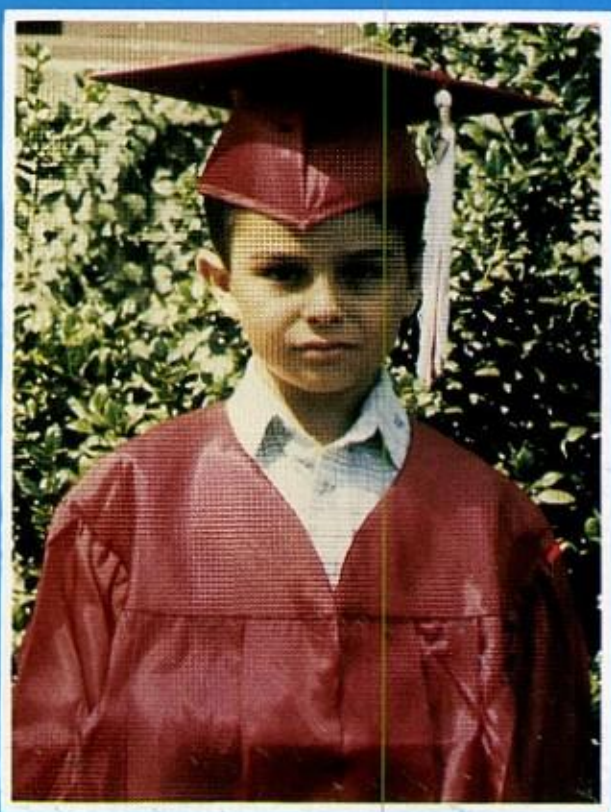




Your Outlook on everything determines the type of person you are at present and also the type of person you can become. Your outlook toward life will determine your destiny.

Whether you become a store clerk or a highly respected doctor relies on your outlook. Whether you go to the ball game Friday night or to the show Saturday night relies on your outlook.

Just remember THINK before you LEAP! or you may faulter.



Have you ever wondered how we got the name Glen Rose, where that Beaver came from, why the colors are red and white instead of blue and white, or why the annual is called the Rose Petal?

We were wondering too. So we got busy and talked to everyone in the county and we found out what we wanted. So here it is:

THE HISTORY OF GOOD OLE GLEN ROSE HIGH SCHOOL

The Name:

I only heard about five different stories to this one, but, I think I've found the right one.

I talked to Bro. Steve Thomas, who was one of the four teachers who were teaching at the time of the naming. The other three were: Myrtle Moore, Elliot Keisler and Luty Floyd.

Bro. Thomas told me that there was a stage in the building and he wanted to put a curtain on it. So he bought one from a man and woman. When they came back to deliver it, the woman asked what the name of the school was. Bro. Thomas told her it didn't have one. So she suggested they call it Glen Rose, after the famous coach at the University of Arkansas. (I even heard the woman was sweet on Mr. Rose!) They thought the woman had a fine idea. So they accepted it as the official name of the school.

The Mascot:

This one wasn't too hard to find out. I just had to talk to the right person: Mr. Howard Easterling.

He asked me what I thought was the one reason you need a mascot. It's obvious: A basketball team. He even gave me the names of the first basketball team.

Name	Height
Kenyon Dawson	6' 2"
Ermon Mobley	6' 7"
Bennie Spencer	6' 1"
Jack Clift	6' 1"
Conrad Tucker	5'11"
Lloyd Clardy	6' 0"
Truman King	?

Anyway you can't have a basketball team without a mascot. So, one day, in the spring of '46, Mr. Easterling, Mrs. Doyle Henson, Pat Keisler and Mrs. Nita Fair were in the office at lunch discussing the mascot. Mr. Easterling told me, "We talked about everything from tigers to kangaroos." He finally suggested "Beavers", since they were always so busy, cutting down trees and slapping their tails when danger is around.

So there is where that Beaver came from. I think we have upheld the purpose of the mascot: The Busy Beavers!

The colors:

Well, again Mr. Easterling helped me with this. Since the school was named after the coach at the University, why couldn't our colors be the same as the Razorbacks? So, red and white it was!

The Annual:

You can kind of guess why they call the annual, the Rose Petal, because half of our name is Rose. But, I heard that the rose petals reminded them of memories. Isn't that what an annual is all about?

Here is a list of the members on the first annual staff.

SOPHOMORES

Coach Robey

Sophomores it is your first year out of Junior High and isn't it GREAT!! You even have some classes with a few of the Seniors.

After all, though, Biology is another story. But when you suffocate through the Mud Puppies you are almost home free.

As you have learned High School has its downs, the same as anything in life, but the ups always seem to out-weigh the downs.

So keep your head high but not too high as to stumble along the way.

Finally you are almost to the top step on the ladder. Your feelings are probably those of relief.

Going around saying, I can not wait to get out of this place, or something like "I dislike school more than the lunches in the Lunchroom."

You feel you will die if you have to wait ANOTHER YEAR! It will pass faster, though, than you can study for another American History Exam.

THEN IS WHEN IT IS TIME TO THINK!

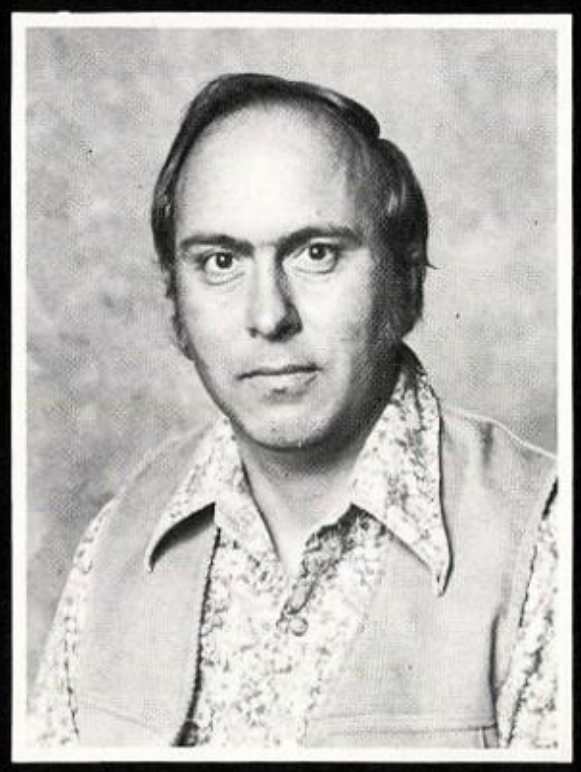
And What Do We Remember?



Stanley Whitlow, Sponsor

We looked back and remembered the happy times, feeling the rewards of hard work and dedication. At other times we felt all alone, isolated in the midst of a crowd. Our existence was one of constant new beginnings and continuous endings that filled our lives and our memories. It was our year, molded by the vast and diverse character of who we were and had become.

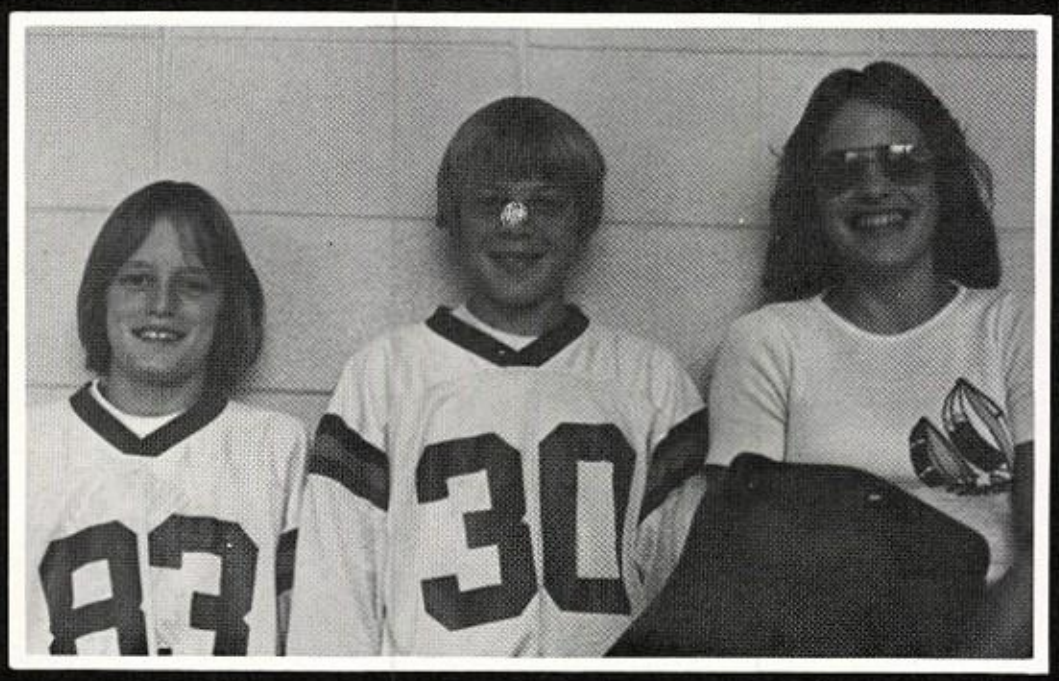
SEVENTH



President-Mark Trammel

What it feels like to be a seventh grader.

This year is so much different.
Instead of recess and water, it's P.E. and cokes, instead of looking down at smaller kids, you look up at towering senior boys and it makes you feel smaller than anyone.
Last year we were the ones bossing people around. Now we're the ones being bossed. But, we don't care, we just want to win our goal, which is finishing school at the head of the list.

FIVE MORE YEARS AND WE'LL BE FREE,

We've finally made it to the point where we can be called Freshmen instead of just seventh or eighth graders. We're finally at the top of junior high. All the seventh and eighth graders look up to us. Even though we still get hassled by the senior high, we're satisfied with what we are: Freshmen!

Administration

Mr. Manuel Whitley

This is Mr. Whitley's first year as Superintendent at GRHS. Quote, "It is my sincere wish that this will be the best and happiest year that the students and faculty of Glen Rose School have had. It is our aim to assist each student in obtaining an education and help make each a better person. This has been a pleasant year for me, and I believe a productive one for the students."

Mr. Roger Phillips, Principal

This is Mr. Phillips first year as Principal at GRHS. His aim is to provide all students with the best possible education in all areas: academics, clubs, and sports. He wants to make ways available for students to be exposed to all situations, in and out of the classroom. He commends the student body for their extreme friendliness and acceptance. We, the student body, have found him to be a very devoted principal.

Mr. C. C. McDonald, Elementary Principal

This is Mr. McDonald's third year as elementary principal at Glen Rose. He commented: "This is a very friendly school with a well-rounded academic program. Of course, there is always room for improvements — especially in obtaining pride. I am very happy here, I have no ambitions to go elsewhere."

ACTIVITIES

FHA PURPOSES AND GOALS:

The purposes of FHA are to:

1. Promote the joys and satisfactions of homemaking.
2. Strengthen the function of the family as a basic unit of society.
3. Encourage democracy through cooperative action in the home and community.
4. Provide opportunities for decision-making and for assuming responsibility.
5. Involve youth with adults in individual and group activities.
6. Develop interest in home economics, home economic careers, and related occupations.

The goals of FHA are to:

1. Improve the personal appearance and become interested in learning to do new things.
2. Express yourself clearly and get along well with many different types of people.
3. Work with others, to improve your community and make your school better.

FBLA

This year we can proudly say that the year 1977-78 was FBLA's best year ever and without the faithful and dependable members, it could not have been!

The purposes of Future Business Leaders of America are to: provide as an integral part of the instructional program, additional opportunities for grades 7-12 in business education. To develop vocational and career supportive competencies and to promote civic and personal responsibility.

Their main goals are to develop aggressive business leadership, strengthen the confidence of students, and to create more interest in understanding of business enterprise.

BETA

National Beta Club is a non-profit, leadership-service organization for high school students.

The purpose of Beta is to stimulate effort, reward achievement, and to encourage and assist its members to continue their education after high school.

A Beta Chapter provides an opportunity for individual and cooperative effort by a schools' most out-standing students. It develops initiative and leadership, rewards merit and achievement. The Beta Club is an asset to our school and community.

OUR CREED IS*

We are the Future Homemakers of America.
We face the future with warm courage
And high hope.

For we have the clear consciousness of seeking
Old and precious values.
For we are the builders of homes,
Homes for America's future,
Homes where living will be the expression of everything
That is good and fair,
Homes where living will be the expression of everything
That is good and fair,
Homes where truth and love and security and faith
Will be realities, not dreams.

We are the Future Homemakers of America.
We face the future with warm courage
And high hope.

ANNUAL STAFF

We, the Annual Staff, would like to express our sincere thanks to Mr. Brazil and Mrs. Ramsey for rendering, at their own expense, their time and effort to help make this Annual better.

We, who have had the honor to work together on the 1978 Annual Staff, are proud to say that we took part in assembling the 1977-78 Annual. We sincerely hope you approve of this Annual because we have given it our best.

No one is perfect, but then again, no one can say we didn't try.
